SENATOR RUMERY: Mr. President and members of the Legislature, all this does is it gives the Department of Economic Development the legal authority to lease facilities to people in the community that might want to use it. We have in our community, as you know, the grandstand facilities that are owned now by the Economic Development Authority and they would like to have authority to lease this facility from time to time when it is not in use. It should bring in a little money to the state treasury.

PRESIDENT: Senator Anderson.
